Re: Monserrate et al v. K.K. Machine Co., Inc. et al.
Case No.: 10-Civ-3732

Your Honor:

Please accept this correspondence by way of explanation for the second filing of the same Proposed Findings of Fact and Conclusions of Law. No changes have been made to the text of the document, but the spreadsheet which was appended for Mario Monserrate erroneously stated his total claim as \$62,570.75. Although the liquidated damages appeared on the spreadsheet, they were not added to the total due to oversight. When added, this yields a total claim figure of \$88,629.44. There are no other changes.

Respectfully submitted,
Law Offices of William Cafaro
